

earlystART  
EMBRACE WONDER

WONDER  
MAKERS

**Here, we believe a better future walks through our door every day.**

It all begins with embracing the wonder that makes learning – and life – more meaningful. This wonder is what sparks a child's love of learning and curiosity. It makes life genuinely personal, inspires creativity, and opens doors of opportunity. As an EarlstART WonderMaker, you'll be an ambassador of our hope-filled mission, committed to investing in bright futures for little learners in our community.

**WonderMakers Make a Difference**

**90%**

of a child's brain is developed by age five. By this time, children form millions of connections that will inform the rest of their lives. A child's earliest experiences and relationships in their first five years are critical for healthy development.

**only 30%**

of Kansas City students are entering school at the proper kindergarten readiness rate compared to **90% of EarlstART students.**

**4-9x**

of every dollar invested in quality early education is returned in community benefits: health, violence prevention, higher graduation rates and the development of young children and families, and also leads to increased earnings, employment, and safety in the future.

**WonderMaker Investment**

Kindly commit to an annual contribution for each of three years to ensure quality early learning at EarlstART:

- **\$1,000** - employs 2-3 artists-in-residence to bring the magic and wonder of art to Kansas City's littlest learners (or make it an even \$100/month for \$1,200/year to increase your impact).
- **\$2,500** – funds 3 months of pre-K tuition for a child.
- **\$5,000** – ensures access for up to 900 students to the arts and social-emotional learning curriculum and artist residencies.
- **\$7,500** - funds at least 10 parent and family engagement events to build deeper relationships and stronger families.
- **\$10,000** – funds partial tuition scholarships for 5-10 pre-K students.

**WonderMaker Perks**

- EarlstART WonderMakers are celebrated at the annual Little Learners Luncheon including an exclusive pre-luncheon reception and a private tour of GEHA Field at Arrowhead Stadium.
- Receive exclusive naming and sponsors opportunities of center spaces, programs, and events.
- Invited to our annual CEO & Investors Roundtable
- Recognition in print and digital communications.
